MAYOR BASTE, HINDI NANONOOD NG IMPEACHMENT TRIAL NI VP SARA

Hindi raw nanonood si Davao City Mayor Baste Duterte ng impeachment trial ng kanyang kapatid na si Vice Pres. Sara Duterte.

Paniniwala ng mayor, ayaw umalis sa posisyon ng mga nasa kasalukuyang administrasyon.

“Ginawa nila ‘yung impeachment, the entire campaign for three years. Pinagsikapan ng administrasyon na ‘yan kasi gusto nilang sila pa rin,” saad ni Mayor Baste sa panayam kay Alvin & Tourism sa kanyang pagbisita sa The Hague nitong Miyerkules, July 8.

“Hindi ako nanonood kasi, you know... Even nung simula pa lang ng termino ni [Pres. Bongbong Marcos] ‘yan, nung nagkalabuan na,” dagdag pa niya. | via Bryll Montalvo

WORLD YOUTH DAY CELEBRATIONS OVER THE YEARS
(International Level)

World Youth Day (WYD) is the Catholic Church's largest international gathering of young people, established by St. John Paul II on Dec. 20, 1985, to encourage young Catholics to deepen their faith, encounter Christ, and experience the universality of the Church. The first official World Youth Day was celebrated at the diocesan level in 1986, while the first international celebration took place in Buenos Aires, Argentina, on April 11–12, 1987, marking the beginning of the tradition of hosting the event in different countries around the world.

Since then, every international World Youth Day has brought together hundreds of thousands—and often millions—of young pilgrims from every continent for catechesis, cultural exchange, prayer, and the celebration of the Holy Eucharist with the Holy Father. More than just a global gathering, WYD is a pilgrimage of faith that continues to inspire new generations to answer Christ's call and become witnesses of the Gospel in their communities.

Swipe through to look back at every International World Youth Day—from Buenos Aires 1987 to the present—and witness how this extraordinary journey of faith has united young people across nations for nearly four decades.

'IYAN PO MUNA ANG SAGUTIN NIYA BAGO SABIHING KAMI AY NAMUMULITIKA LANG'

Pumalag si Manila 3rd District Rep. Joel Chua sa pahayag ni Vice Pres. Sara Duterte na dapat itigil ng mga opisyal ng pamahalaan ang aniya'y pamumulitika sa panawagang transparency at accountability.

"Matagal na rin pong naghihintay ang ating mga kababayan na siya po ay humarap at sagutin ang lahat ng alegasyon sa kanya sa impeachment," saad ni Chua.

"'Yan po muna ang sagutin niya bago siya magsabing kami ay namumulitika lang," dagdag pa niya.

BREAKING: US President Donald Trump has threatened to launch a large-scale military attack on Iran if it attempts to assassinate him.

In a post on Truth Social, Trump said the US military was prepared to "completely decimate and destroy" Iran and claimed orders had already been given for a response if such an attack were carried out.

Nahaharap sa suspension si Pasig City Mayor Vico Sotto matapos maglabas ng preventive suspension order ang Office of the Ombudsman kaugnay ng reklamong may kinalaman sa umano'y hindi pamamahagi ng ₱1,500 one-time cash allowance para sa mga empleyado ng Pasig City Hall noong pagdiriwang ng Araw ng Pasig.

} Walang ganito

} Wala rin ganito

Ang naturang suspension ay bahagi ng isinagawang imbestigasyon ng Ombudsman at hindi pa pinal na desisyon sa kaso. Inaasahan namang maghahain ng kaukulang tugon ang kampo ni Sotto kaugnay sa isyu.

Una na nga ginsiling sang Impeachment court nga indi required ang Vice President nga magtambong sa trial.
Ang paghangkat sa Presidente nga magpaidalom sa amo nga test ang madugay na nga ginabuy-an sang iya kritiko.
Apang suno kay Marcos, wala sang labot ang public office sa follicle test.
Kun lantawon ang social media account sang anay pulis, nagasuksok pa ini sang uniporme sang isa ka pulis sa iya profile picture kag nakasaad nga na-assign ini sa Police Community Relation.

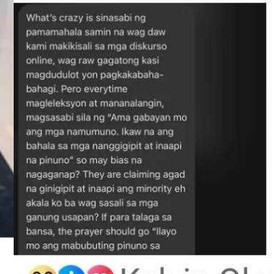
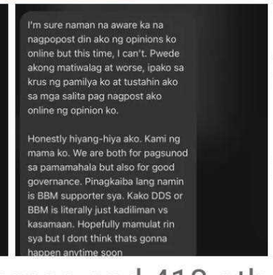
I'm an INC member. Handog ako which is equivalent to biniyagan sa katoliko. These past few years, nag-aagam-agam nako. Hindi ako bumoto nung senatorial elections when I found out na dinala ng INC si Bato, Robin at Bong Revilla. Nagalit sakin parents ko nun pero inipon ko lahat ng tapang ko na magmatigas at hindi pumunta sa botohan. Hindi rin ako nakiisa sa rally earlier this year. Rally for peace my ass.
Ngayon, hiyang-hiya ako kasi nagrally nanaman sila and in support pa ni Marcoleta na obv a



What's crazy is sinasabi ng pamamahala samin na wag daw kami makikisali sa mga diskurso online, wag raw gagatong kasi magdudulot yon pagkakabaha-bahagi. Pero everytime magleleksyon at mananalangin, magsasabi sila ng "Ama gabayan mo ang mga namumuno. Ikaw na ang bahala sa mga nanggigipit at inaapi na pinuno" so may bias na nagaganap? They are claiming agad na ginigipit at inaapi ang minority eh akala ko ba wag sasali sa mga ganung usapan? If para talaga sa bansa, the prayer should go "Ilayo mo ang mababuting pinuno sa



I'm sure naman na aware ka na nagpopost din ako ng opinions ko online but this time, I can't. Pwede akong matiwalag at worse, ipako sa krus ng pamilya ko at tustahin ako sa mga salita pag nagpost ako online ng opinion ko.
Honestly hiyang-hiya ako. Kami ng mama ko. We are both for pagsunod sa pamamahala but also for good governance. Pinagkaiba lang namin is BBM supporter sya. Kako DDS or BBM is literally just kadiliman vs kasamaan. Hopefully mamulat rin sya but I dont think thats gonna happen anytime soon

This should not be taken literally.
The Analogy: Everyone knows a photocopy of paper currency is completely worthless (and illegal). By conflating monetary validity with documentary validity, I am just satirizing the defense arguments heard in congressional hearings—specifically the controversy over the thousands of photocopied, highly irregular acknowledgment receipts submitted to justify millions in confidential expenditures. I was just trying to find humor in the midst of tumoils of our nation as it has always been frustrating to see hopelessness in political chaos. Only idiots will take it literally.

Iloilo City is often called a hidden gem in the Visayas region, historically overshadowed by destinations like Cebu, Boracay, Dumaguete, or Bacolod.

Over time, however, a growing number of Metro Manila tourists have reportedly been migrating to the city, prompting some locals to worry that the visible trend could push the area toward overpopulation.

The issue recently took center stage when a July 7 Threads post from a resident reignited public discussion on this migration pattern, voicing direct concern over the city's capacity to handle the continuous influx.

Replies under the post raised worries about traffic, surging consumer prices, potential language barriers, and skyrocketing housing costs.

Another user speculated that regional tourism may be fueling the trend, noting that constant online exposure of the city has attracted visitors who eventually decide to resettle. The user's reply captured the shared dilemma: "What is the price of progress?"

Jul 11, 2026 22:03:02

Many residents in the thread cited Baguio's

Many residents in the thread cited Baguio's overcrowding as a cautionary tale, where unchecked tourism led to traffic jams, housing shortages, and environmental stress.

Their fears are mirrored by recent data. The Commission on Population and Development Region 6 reported that Iloilo City's population reached about half a million in 2020. Western Visayas', meanwhile, climbed to nearly eight million, with migration outpacing fertility as the main driver of growth.

In its November 2025 report, the city identified multiple traffic chokepoints across districts, showing visible strain from congestion. While local government actions have provided partial relief, long-term solutions have yet to take effect.

Housing pressure has intensified across the city as well. The Iloilo City Local Housing Office in September 2025 reported that informal settler families rose to 22,038 by the first quarter of that year.

CPD-6 Director Harold Alfred Marshall warned that such rapid growth inevitably brings unintended consequences: "The more people, the more basura. Gadamo man ang gamo [disorder also escalates]."

Jul 11, 2026 22:03:05

A Manileño, responding to the growing concern

A Manileño, responding to the growing concern, offered a contrasting view in a separate Threads post: “I understand that you just want to protect your city na hindi siya matulad sa Baguio and other provinces and I salute you for that [but] we just want to experience the relaxed, slow-paced lifestyle, the peace and quiet, and the clean, unpolluted air your city has to offer.”

Citing noise, pollution, stress, and fast-paced life in Manila, the user noted that they "just want a chance to slow down and breathe, kahit saglit lang."

"Yes, most of you are correct: Iloilo is a paradise that is worth gatekeeping," they added, "but sometimes, paradise is meant to be found, and that’s exactly what Iloilo is."

The response drew support from some locals.

"Iloilo belongs to everyone so everyone is welcome," a commenter said. "As a local, I understand their concerns and maybe valid too. Pero need lang natin magtulungan to protect and pagyamanin pa."

'HINDI KO PO MASASABI KUNG KAILAN PO NA-DEVELOP'

Hindi pa mailipat si Sen. Rodante Marcoleta sa kaniyang detention facility kahit arestado na.

Ayon sa mga awtoridad, mananatili pa rin siya sa PNP General Hospital dahil bukod sa high blood ay nakitaan pa siya ng ibang karamdaman tulad ng mild pneumonia.

Panoorin ang iba pang detalye sa ulat ng 24 Oras:

Norway’s impressive run at the World Cup is yet another reminder that they’ve got this whole sport thing figured out.

Whether it’s soccer, golf, tennis or – of course – winter sports at the Olympics, a tiny nation of just 5.5 million people is now churning out world beaters at an extraordinary rate. https://cnn.it/44WHob3

South Africa World Cup midfielder Jayden Adams has died at the age of 25.

Adams, who played in all three of South Africa's group-stage matches at the 2026 FIFA World Cup, passed away on Saturday.

South Africa's Sports Minister Gayton McKenzie confirmed the news, calling Adams one of the country's brightest young football talents. The cause of death has not been disclosed.

Police said they have launched an investigation after the body of the 25-year-old player was found at a house in Schotsche Kloof, Cape Town on Saturday morning.
